FOR THE TRADE

455, 457, and 459 PLUM ST.,

One Square North of Springer Music Hall,

Cincinnati, O.

P. S.—Having increased my facilities, I am able to offer to the trade the LARGEST, MOST DURABLE, and COMPLETE lines in WORKMANSHIP and FINISH in our section of the country.

To the Trade.

WHEN ordering goods, do so by number and description. Also, state in your order the kind of marble you wish.

ALWAYS INSTRUCT US HOW TO SHIP.

I SHIP ALL GOODS RELEASED, unless otherwise ordered, and deliver goods at railroad depot and boat landing free of charge, and in all cases get for my customers the lowest rate of freight I possibly can; but I can not be responsible, and will not be accountable, for freight overcharges or damages which may happen to goods while in transit.

Boxing will be charged at cost, averaging fifty cents to one dollar for each sideboard, bookcase, and desk.

Special Notice.

Formerly, transportation companies were held responsible, and paid all bills of damages on goods while in transit, until they became so frequent and exorbitant that the companies could not afford it. The freight agents then held a convention, and prepared a SPECIAL CONTRACT. This special contract was called a GENERAL RELEASE, and was about as follows:

"We hereby release said company from all damages arising from chafing or breakage, damage from fire or water, or effect of heat or cold, delay at points of transfer, or any other cause not the result of collisions of trains, or of cars being thrown from the track."

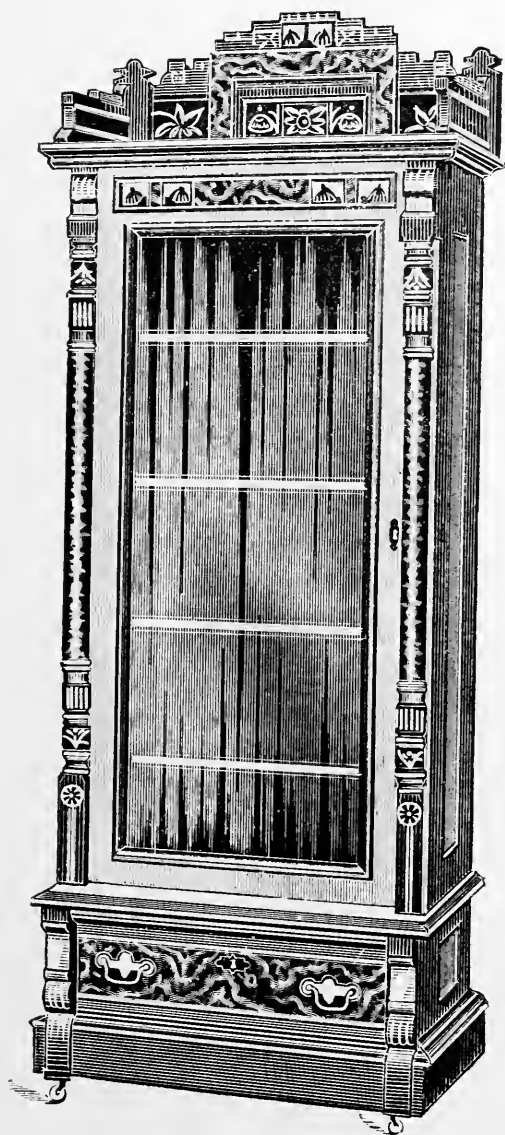

The railroad companies will not take freight from me, or any other manufacturer, without the release, except at DOUBLE RATES of freight.

If you desire to ship your goods INSURED, and are willing to pay the extra freight, please instruct me so to do, otherwise I will expect that you desire the reduced rate. But, I wish it understood, that I DO NOT ASSUME ANY RESPONSIBILITY WHATEVER AFTER DELIVERING IN GOOD ORDER, AND AFTER RECEIVING A RECEIPT TO THAT EFFECT.

Respectfully.

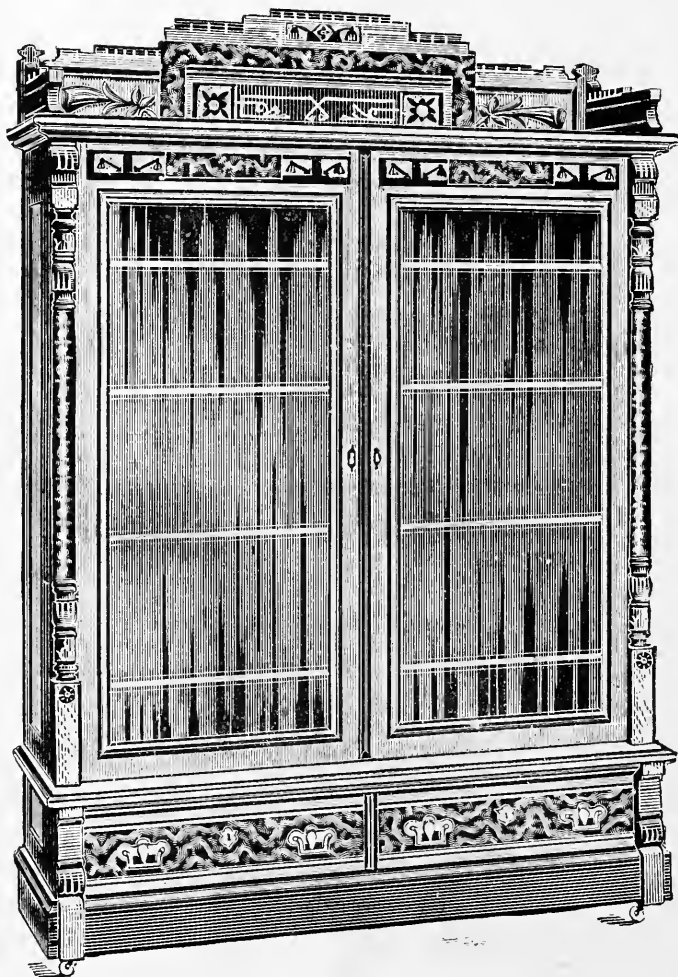

H. H. WIGGERS.
